

Safari Tent (family-friendly)

Unique Lodging Where Art and Nature Combine

Family-Friendly Suites, Tree House Bungalow,
Glamping Tents and Safari Lodges

The Siberian and Bengal Suites

The Siberian Suite overlooks one of our large habitats, allowing you to come eye-to-eye with a resident big cat, while the Bengal Suite overlooks more habitats viewable from the deck.

The Tree House Bungalow

Enjoy a sense of isolation in the treetops and spend the night next to a large habitat. Children must be age 5 and up. Seasonal availability.

The Bam Bam and Tigris Glamping Tents

Each glamping tent is fully equipped with heat/air, mini-fridge, coffee maker, and microwave. The two units share a camp-style restroom facility.

Adult-Only Zulu Safari Lodges

Five adult-only units share a community deck with gazebo that features outdoor seating, a fire pit, and a hot tub. Each unit also features a private deck and can sleep up to 2 adults.

RV Camp Sites

Six pet-friendly sites can accommodate one RV and include water/electric hookups, a firepit, and picnic table. A bathhouse facility is within walking distance (seasonal).
